RE: Application of Duke Energy Progress, LLC for Adjustments in Electric Rate
Schedules and Tariffs and Request for Accounting Order
Docket No.: 2018-318-E.

Dear Ms. Boyd:

This letter is to advise that Duke Energy Progress, LLC ("DEP") plans to file its Updated Excess Deferred Income Tax ("EDIT") Rider and the associated Schedules in the Commission's E-tariff System today. Although the final order approving the revised tariffs has not been issued, the tariffs being filed are identical to the proposed tariffs approved by the Commission in its May 5, 2021 Directive except for the insertion of the order number (2021-327) which was provided in that directive. Because the tariffs have an effective date of June 1, 2021, we thought it was important to submit it to the E-tariff System before that date.

DEP provided the tariffs to the South Carolina Office of Regulatory Staff for its review in advance of this filing.

Yours truly,

Frank R. Ellerbe, III
